PLEASE NOTE: When a student registers for lessons/classes, the Teacher commits a weekly time for the lessons for the entire academic year from Sept to June. As the Teacher's annual income is dependent upon the fees generated from these reserved times, it is not possible, therefore, to offer refunds for lessons missed by the student. The rate is set for 36 private lessons + 18 group lessons and the student will receive 38 private lessons + 19 group lessons if s/he attends all possible lessons throughout the year.
